

## PROGRAM REVIEW STEERING COMMITTEE 19-20 COMPREHENSIVE PROGRAM REVIEW FEEDBACK TEMPLATE

**PROGRAM:** Economics  
**Author(s):** Mary Sessom/Pat Newman

OVERALL ASSESSMENT	
<b>Support of College Strategic Goals:</b>	Evolving
<b>Planning:</b>	Initial
<b>SLO/PLO Assessment Status:</b>	Initial
<b>Data Analysis:</b>	Evolving

Peer review for purposes of improvement:

**Support of College Strategic Goals:** lack of summarization to college strategic goals

**Planning:** lack of planning due to hiring of full time instructor

**SLO/PLO Assessment Status:** need to enter documentation in TracDat, no analysis done, and no assessment plan submitted

**Data Analysis:** Further analysis of the data presented and provide context to offer possible explanations for findings

### ***Commendations:***

The committee commends the Economics department on the following:

The efforts of the non-content faculty in submitting the report

The robust analysis of their student population and in comparison to overall student population data

The preparation involved to support the incoming instructor

### ***Recommendations:***

The committee recommends the following:

Align program goals to the college's strategic goals

Establish the mapping and assessing of the SLOs to the PLOs

Establish an advisory committee in the future

### ***Additional Comments:***

Will there be an action plan developed to improve the success rate of the Economics students to meet the college standard

Efforts in recruiting a more diverse student population based on the data gathered to more closely align with the college population.

The committee acknowledges the difficult situation the program is in lacking a full-time faculty member and being a new program. We look forward to seeing how the program develops.
