Provided details::

1. Health and Safety • Supplies to treat injured student athletes in women's athletic team expansion year
2. Equipment replacement and duplication • Duplication of supplies necessary to address student-athlete injuries
3. Critical need • Department is frequently running short with increased student athlete number. New sports beginning practice will add strain to the Athletic Medicine budget.
4. Program expansion/innovation • Supplies to address injury needs of new sport athletes that will begin practicing in the next academic year.
5. Impact on student success and access • Adequate treatment is necessary to address all injured student-athletes

Q11

Program Goal: Please identify the program goal(s) this request would help your program achieve and provide a brief explanation of how it would do so.

Goal 1 . Improve facility

The increase in the number of women's athletic teams for the 2021-2022 season will begin to have their impact in the 2020-2021 academic year. The current budget has yet to be augmented for this preparation year. Coaches will be hired. Class section added, and student-athletes will begin practicing.... and getting injured. These supplies will help our Athletic Medicine staff handle the additional preventative and rehabilitation taking place next year
