Q10

Justification of Request:Please select the applicable criteria below and provide the details how the criteria relate to your request.

Provided details::

We need to have the gate fixed properly. There are thousands of dollars worth of equipment and vehicles in the shop area that need to be secured. We have sent multiple requests. We have 'reset' the gate multiple times and it still does not work properly. The gate is very heavy. Staff has to manually open it and someone can get hurt from this.
