Page 1: Facilities Request Form

Q1

Contact Person:

Name **Ignacio Castaneda Garcia**
Email Address **ignacio.garcia@gcccd.edu**

Q2

Department:

Automotive and Electronics

Q3

Title of Request:

Cover for Outside Lift

Q4

Location of Request:

K-Building

Q5

Description of Request:When making your request, please be as specific as possible and include information such as make, model, manufacturer, color, quantity, etc.

The outside lift area needs to be covered. A cover needs to be installed from wall to wall. This is a hazard and safety issue.

Q6

Estimated Cost:

We need facilities to help with this estimate.

Q7

Please attach quote, if available

Ouside%20lift%20needs%20a%20cover%20and%20floor%20needs%20to%20be%20cleaned.jpg (98.2KB)

Q8

Operations Cost

Total Cost of Ownership:check all that apply

Q9

Please explain your plan to maintain this request:

No maintenance required.

Q10

Justification of Request:Please select the applicable criteria below and provide the details how the criteria relate to your request.

Health/Safety/Security Issues,

Growth of department/work area,

Demonstrate need for continuous quality improvement of department/work area

,

Provided details::

The outdoor lift area floods when it rains. This causes very large puddles in the lift area and also directs water into the laboratory. The water in the laboratory then can go into the dynamometer which is a heavy duty electrical system the state referee uses daily. This is a huge safety issue and will also make sure rain water does not enter the storm drains. This will also allow us to uncover the outside drain which will help with the flooding.
