No maintenance needed.

---

**Q10**

Justification of Request:Please select the applicable criteria below and provide the details how the criteria relate to your request.

**Health/Safety/Security Issues,**

**Growth of department/work area,**

**Demonstrate need for continuous quality improvement of department/work area**

,

Provided details::

The outside storage stores several thousands of dollars worth of equipment. Engine, transmissions, axle assemblies, lifts, hoists, jacks and a forklift as well as other heavy equipment is stored there. The equipment is exposed to nature and causes the equipment to get damaged. Leaves and dirt blow into the exposed areas. The equipment is needed for student learning. This is also a safety and security concern as anyone can walk into the storage area.
