**Q1**

Contact Person:

|               |                                |
|---------------|--------------------------------|
| Name          | <b>Steve Weinert</b>           |
| Email Address | <b>steve.weinert@gcccd.edu</b> |

---

**Q2**

Department:

Psychology

---

**Q3**

Title of Request:

Laboratory Space

---

**Q4**

Location of Request:

Any Room (standard office size) with Internet access.  
Room for 4 computers, gaming console and TV.

---

**Q5**

Description of Request:When making your request, please be as specific as possible and include information such as make, model, manufacturer, color, quantity, etc.

Our research lab is growing and more students are interested in doing their own projects. We need space to have meetings, work on protocols and train on using equipment.

Running subjects doing EEG research requires a quiet room - where there are no distractions so a dedicated space really make a world of difference.

---

**Q6**

Estimated Cost:

Existing Space.

---

**Q7**

**Respondent skipped this question**

Please attach quote, if available

---

**Q8**

**Maintenance Cost**

Total Cost of Ownership:check all that apply

---

**Q9**

Please explain your plan to maintain this request:

Just bi-annual cleaning.

---

**Q10**

Justification of Request:Please select the applicable criteria below and provide the details how the criteria relate to your request.

**Support College Mission/Strategic Plan,  
Growth of department/work area,  
Demonstrate need for continuous quality improvement  
of department/work area**

Provided details::

Having students do EEG research and cognitive experiments can give the an edge when applying to research jobs at the university. By doing their own thing - they really want to the boring tasks of research and are excited to write a paper. Weird.
