INFORMATION ITEM:

♦ **MATH 176:** Modification

Tammi Marshall reviewed the revised proposal to update the prerequisite for MATH 176. Originally the prerequisite was proposed to be updated to "Appropriate Placement" removing the MATH 110 from the prerequisite. This revised proposal is to change the prerequisite to "Appropriate Placement or Intermediate Algebra". Both colleges Math departments have agreed to this revised prerequisite. The alignment form has not been returned to Cuyamaca. The agreement was made on Friday, April 21 after the deadline for the April board packet. Jane Gazale went over the deadline for the May board packet, April 26. To have the prerequisite effective in the 2023-2024 catalog we will need to suspend the rules.
