

## **Octavio Leal For Part-Time Faculty Senator**

Hello, my name is Octavio Leal, I am an adjunct counselor that coordinates our Cuyamaca Rising Scholar Program. We serve justice involved students, and I will be honored to support our academic senate. I completed my SDICCCA internship in 2013, and was assigned to our Cuyamaca First Year Experience program. I worked in general counseling for a few years, before being assigned to our Cuyamaca Rising Scholar Program during the Fall 2019 semester. I am very passionate with helping and serving students from all walk of life, and I will like an opportunity to get more involved to make a bigger impact.
