

ACADEMIC INTEGRITY RESOURCE GUIDE

Use group chats to share exam materials, including questions or answers.

Use unauthorized assistance on individual assignments.

Rely on plagiarism detection software or websites to tell you if your work is plagiarized.

Use paid online "Tutoring Sites" like Course Hero, Studypool, and Chegg.

Use group chats to remind each other of deadlines and share general class resources.

Reach out to your instructor if you have questions about the assignment.

Properly incorporate and correctly cite reputable sources in your work, as your assignment specifies.

Use the Cuyamaca College Tutoring Center
