Your submission will be sent to VeriCite to be electronically reviewed for plagiarism. Please refer to the college's academic integrity policy regarding plagiarism.

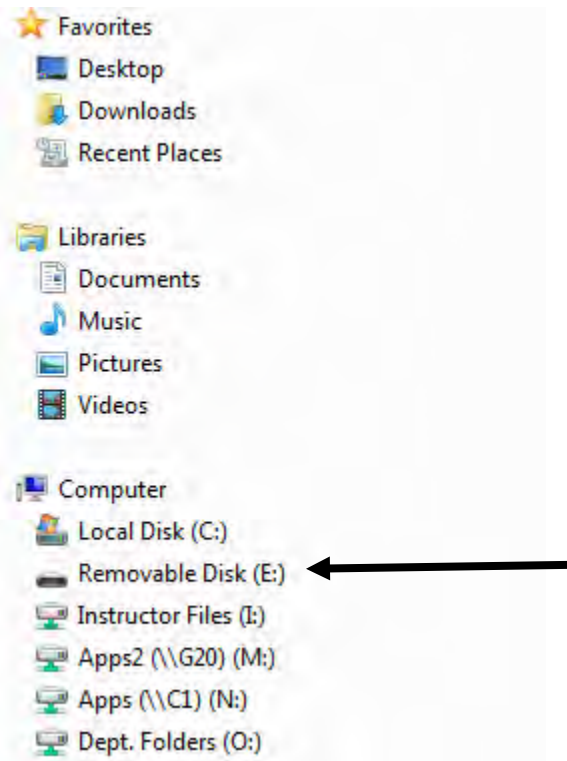

I certify that this submission represents my own original work. I understand that my instructor has selected to have this assignment checked against several databases for original content. Furthermore, I understand that VeriCite will create an originality report for my instructor which shows how my paper compares against documents available on the Internet, in many print journals, as well as a database of other papers submitted by Grossmont-Cuyamaca Community College District students. I understand that my paper will be added to this institutional database for comparison of future papers against my work. I also understand I am agreeing to have my paper stored in a database of work so that future work of all students using the VeriCite system can be compared against my work. I understand that once I grant the right for this paper to be added to the VeriCite database that I may not retract that right. I maintain ownership of the original intellectual property created, but this document must remain a part of the VeriCite database.

7. Selecciona el documento que tu guardaste en la computadora o tienes en una memoria USB (flash drive).
- a. Si tú guardaste tu archivo en tu “Home folder (H:)” (“*Folder Personal*”), da doble click en tu folder que se encuentra en la parte izquierda de la pantalla pop-up.

- b. Si guardaste tu archivo en una memoria USB (flash drive), tu documento se encontrara en el “Removable Disk (E:)” (“*Disco Removable (E:)*”).

8. Una vez que tu archivo este cargado, tú vas a necesitar poner una palomita en el cuadrado, certificando que el archivo que estás entregando es de tu propio esfuerzo.

9. Ahora, tú puedes presionar el botón “Submit Assignment” (“*Entregar Tarea*”) en la parte de abajo de la página.

10. ¡Acabas de ENTREGAR tu tarea!

\*Por favor date cuenta que si estás tratando de entregar una tarea a través de tu celular, Canvas se va a ver diferente. El mejor modo para entregar una tarea es a través de una computadora.
